Mr Griffiths,

Re: EPR/HP3737UE/V005 – Compliance Assessment Report (CAR) NRW0032606

Further to our discussions during your recent visit to Severn Power Station, please find attached a copy of a report prepared by independent consultants ESG who conducted this year's Annual Surveillance Tests on our Continuous Environmental Monitoring systems (CEMS).

I note that this report was also requested in your document CAR_NRW0032606 which is a written record of your visit.

Yours sincerely,

pp Sean Grundy
Station Manager
