

## Schedule 1 – Notification of abnormal emissions

This page outlines the information that the Operator must provide to satisfy conditions 5.1.1 and 5.1.2 of this Permit.

Units of measurement used in information supplied under Part A and B requirements shall be appropriate to the circumstances of the emission. Where appropriate, a comparison should be made of actual emissions and authorised emission limits.

If any information is considered commercially confidential, it should be separated from non-confidential information, supplied on a separate sheet and accompanied by an application for commercial confidentiality under the provisions of the PPC Regulations.

### Part A

Permit Number	UP3237CP
Name of Operator	RF Brookes Ltd
Location of Installation	Rogerstone Park, Azalea Road, Rogerstone, Newport, Gwent, NP10 9SA
Location of the emission	As above
Time and date of the emission	10th July 2016 approx 11:45am

Substance(s) emitted	Media	Best estimate of the quantity or the rate of emission	Time during which the emission took place
Food waste – Potato Peelings	Near surface water drains in north yard	Approx 2-3kgs	Approx 11:45am
Measures taken, or intended to be taken, to stop the emission	The spill was caused by an overflow of waste water and potato peelings – this was cleaned up immediately. The working system has been reviewed and is being amended.		

### Part B

Any more accurate information on the matters for notification under Part A.	Waste was mainly water with peelings in it
Measures taken, or intended to be taken, to prevent a recurrence of the incident	Procedure has been retrained out
Measures taken, or intended to be taken, to rectify, limit or prevent any pollution of the environment or harm which has been or may be caused by the emission	Area was immediately cordoned off and surrounding area cleaned as well. Area was monitored to ensure no spillage left
The dates of any unauthorised emissions from the Permitted Installation in the preceding 24 months.
