### Coronavirus update

We will continue to advertise and consult on permit applications as normal.

For high public interest applications we will consider if we need to change how we consult people. This will be arranged on a case by case basis and communicated on through our normal channels.

If you want to submit a response to a consultation during this time please email

[permittingconsultations@naturalresourceswales.gov.uk](mailto:permittingconsultations@naturalresourceswales.gov.uk)

[Find out more in our response to the coronavirus pandemic](#)

## We've received an application for an environmental permit from Newport City Council

New bespoke application for environmental permit under the Environmental Permitting (England and Wales) Regulations 2016.

**Application number:** PAN-016301

**Regulated facility type:**

- Water discharge into land (drainage field) - Package treatment plant that meets British Standard BS 12566

**Regulated facility location:** Forest Lodge, Rogerstone Newport NP10 9US

**NGR discharge point:** ST 27523 89583

**Receiving environment:** Groundwater

**Effluent type:** Secondary treated effluent

**Volume:** 2.465 cubic metre per day

You can see the application documents free of charge, from our [on-line public register](#). You can search for the documents using the application details, above. Or you can request a copy of the information from us. This may take time to process and there could be a charge.

If you have any comments send these by **03/02/2022**

**Email:** [permittingconsultations@naturalresourceswales.gov.uk](mailto:permittingconsultations@naturalresourceswales.gov.uk)

Or write to:

Permitting Service

Natural Resources Wales

Cambria House

29 Newport Road

Cardiff

CF24 0TP

We must decide whether to grant or refuse the application. If we grant it, we must decide what conditions to include in the permit. You can find information about how we make decisions in our [Public Participation Statement](#).
