**Response to the Environmental Permitting (England and Wales) Regulations 2016
Regulation 61(1) request for further information on compliance with BREF Requirements
for Large Combustion Plant**

Uniper UK Limited Connahs Quay Power Station EPR/NP3037AF

22nd November 2018

Dear Anna,

In response to your information notice dated 9th May 2018, issued under regulation 61(1) of the Environmental Permitting Regulations 2016 and in relation to the above permit, please find enclosed a report covering our response to the questions raised.

I trust the following information will provide you with satisfactory information to enable you to review and amend the site environmental permit. Should you have any further queries, please contact myself and the Plant Manager who is cc'd at the bottom of this letter.

Yours faithfully

Mr. Matthew Brown
UK Environment Manager
