Dear Mr Cinderby

We need more information about your application.

Application reference: PAN-001747 (BL7396IZ)
Operator: Clariant Production Ltd
Facility: Clariant Production UK Ltd, Llantwit Fardre, Pontypridd

Thank you for your application received on 14/07/2017. I need to ask you for some more information before I can decide that your application is duly made. The information required is summarised below:

OPRA Charging File

Unfortunately you've submitted an OPRA form which doesn't align to our current charging scheme. The OPRA file that has been submitted appears to be a legacy document and we will need you to complete and return a NRW OPRA form, valid for this year. The correct OPRA form for Installations (i.e. your current application) is available on our website at <https://naturalresources.wales/about-us/what-we-do/how-we-regulate-you/our-charges/?lang=en>. Using this, we will be able to confirm if the correct fee has been paid, or any changes that may be required.

Please reply within 10 working days from the date of this letter. If we don't hear from you, we must return your application and fee.

When we receive the missing items we'll continue to check the details in your application. If there's enough there for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.
