Dear Sirs

Permit ref. Liberty Steel Newport Limited - Liberty Steelworks, Newport – Bespoke Permit Variation

On behalf of Liberty Steel Newport Limited, please find enclosed an electronic copy of an application to vary the Bespoke Environmental Permit for the steelworks facility at Corporation Road, Newport, South Wales, NP19 4XE, application reference EPR/EP3830GH/V002.

The application includes the application forms A, C2, C3 and F1; supporting reports, and an OPRA spreadsheet.

Liberty Steel Newport Limited have arranged for an electronic payment of the £24,136 for the variation of the permit. The reference for the BACS payment is EPRLIBERTYST0001, and should be received by 15th February 2017.

The application has been submitted as a normal variation.

If you have any questions regarding the application, please contact myself using the details below, or Richard Steed of Liberty Steel Newport Limited at Richard.Steed@LibertySteelNewport.com.

Yours faithfully,
For **AECOM Infrastructure & Environment UK Limited**
