Dear Mr. Richard Steed

We need more information about your application

Application reference: PAN-001291
Operator: Liberty Steel Newport Limited
Facility: Liberty Steel Newport Limited, Corporation Road, Newport, Gwent, NP19 4XE

Thank you for your application received on the 14th February 2017

I need to ask you for some more details before I can consider duly making your application. The information required is summarized below:

OPRA spreadsheet and Fee

The OPRA spreadsheet you have submitted is wrong. You have submitted the Environment Agencies version where you need to submit the Natural Resources Wales version of the spreadsheet. Due to this you have used the wrong fee multiplier to calculate the normal application fee you have paid. In the OPRA profile you have used a fee multiplier of 56 when the correct multiplier is 57. Can you please re-submit the correct OPRA spreadsheet with the correct fee multiplier and pay any additional fee that is due.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee.

If you email or write to us please quote the application reference PAN-001291 on any correspondence and send it to us at the relevant addresses below.

When we receive the missing items we will continue to check the details in your application. If there's enough for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.
