DEAR PRESIDING OFFICER,

I WRITE TO VOICE MY DISMAY AT THE APPARENT UNFAIRNESS OF THE CONSULTATION PROCESS WITH REGARDS TO THE PROPOSED BIOMASS NO 2 SITE IN BARLY.

OUR COMMUNITY NEEDS MORE TIME TO PROCESS BIOMASS' RESPONSE TO THE SCHEDULE 5 NOTICE. TO EXPECT ORDINARY MEMBERS OF THE PUBLIC TO UNDERSTAND SUCH A GIANT, COMPLICATED DOCUMENT WITHOUT AN ENGINEERING OR SCIENCE BACKGROUND SEEMS REALLY UNFAIR.

I HAVE A NUMBER OF QUESTIONS TO ASK ABOUT VARIOUS ISSUES INCLUDING FIRE RISK, SAFETY AND EVACUATION AND THE IMPACT ON HEALTH. I CANNOT POSSIBLY RAISE THESE ISSUES IF I CANNOT ACCESS IMPORTANT INFORMATION BECAUSE I AM BEING BLINDED BY TERMINOLOGY.

BIOMASS WAS GRANTED LONGER BY NRW TO FORMULATE A RESPONSE. COULD YOU PLEASE EXTEND THE SAME TREATMENT TO THE RESIDENTS AND COMMUNITY REPRESENTATIVES IN THE INTEREST OF FAIRNESS.

WE NEED MORE TIME AND A SIMPLER VERSION OF THE APPLICATION.

I LOOK FORWARD TO HEARING YOUR THOUGHTS ON THIS VERY IMPORTANT MATTER.

YOURS SINCERELY

Mrs M.A Barnett
