Dear Mr Williamson

Returning your permitting application

Application reference: PAN-011026

Operator: Morganite Electrical Carbon Ltd

Facility: Electrical Carbon, Swansea, Morgan Advanced Materials, Upper Fforest Way, Swansea Enterprise Park, SA6 8PP

We wrote to you on 09/11/2020 to ask you to send us more information and the correct fee but we've had a reply from you stating that you are unable to do this before the deadline. Unfortunately this means your application is not duly made and we must return it to you.

You may resubmit your application. We recommend that you talk to your local area office about your application before you complete it. Please call 0300 065 3000 and ask to speak to your local area office or your site officer.

If you change how you operate your facility without us agreeing to the change and issuing you with a variation notice, you may be committing an offence and could be liable to prosecution.

If you have any questions please email William.Wallace@naturalresourceswales.gov.uk.

Yours sincerely

William Wallace
Permitting officer 2
