Thank you for your notification of transfer. I confirm that the transfer of the environmental permit from Engie FM Limited to you will take effect from 07/03/2018.

I enclose a transfer notice which shows the legal details of the transfer. Please keep this in a safe place with your environmental permit. The permit should have been passed to you by the previous operator during the handover of the property or business. If you don't have a copy of the permit you must contact your local office to get one. Telephone our Customer Service Centre on 0300 065 3000 and they will put you in touch with an area officer.

This letter contains links to web pages. You will also need to look at the document 'How to comply with your environmental permit' as this will help you understand how to meet the conditions of the permit. You can find this on NRW's website <http://naturalresources.wales/media/2110/how-to-comply-with-your-environmental-permit.pdf>

If you don't have internet access our Customer Service Centre can help you find the information you need.

If you have any questions about billing please contact our finance department. Phone our Customer Service Centre on 0300 065 3000 and ask to be transferred to our Welsh finance team.

If you have any other questions about the permit please phone the Customer Service Centre.

Yours sincerely

Patrick Duffy
