

Schedule 1 - Notification of abnormal emissions

This page outlines the information that the Operator must provide to satisfy conditions 5.1.1 and 5.1.2 of this Permit.

Units of measurement used in information supplied under Part A and B requirements shall be appropriate to the circumstances of the emission. Where appropriate, a comparison should be made of actual emissions and authorised emission limits.

If any information is considered commercially confidential, it should be separated from non-confidential information, supplied on a separate sheet and accompanied by an application for commercial confidentiality under the provisions of the PPC Regulations.

Part A

Permit Number	DP3430LX
Name of Operator	TRW Automotive
Location of Installation	New Road, New Inn, Pontypool, Torfaen. NP4 0TL
Location of the emission	Effluent Plant
Time and date of the emission	10/12/14 @ 10:55
