Dear Sirs

Environmental Permit Application for a Standard Rules Permit SR2011 No3 at UK Salvage Car Parts Ltd, Ridgewell Business Park, Ridgewell Way, Tonypany, CF40 2JP.

Please find enclosed a permit application for the above address on behalf of UK Salvage Car Parts Ltd to operate an End of Life Vehicle (ATF), for the dismantling of depolluted vehicles and the storage of dismantled parts at the above location.

The applicant has agreed he can accept the generic risk assessment for SR2011 No.3 and abide by it. A management plan/accident is being drawn up before the permit is issued along with a Fire Prevention and Mitigation Plan which is also being drawn up.

Mr Ramin Ahmadi has signed up with CIWM to undertake the EPOC Course on the 5th & 6th of December 2018 and will then undertake the relevant WAMITAB Training with a local training provider.

This application was originally discussed with the local officer Nessa Dearle.

Hopefully everything else has been included in this application but if you need anything further please contact either me or Russ Jones on 01299-403242.

Regards
Dave Salt
