Dŵr Cymru Cyfyngedig - 71 locations across Wales

If you have any comments, send these by 23 June 2020

In this section

1. We've received an application for 71 permits from Dŵr Cymru Cyfyngedig.

Coronavirus update

We will continue to advertise and consult on permit applications as normal.

For high public interest applications we will consider if we need to change how we consult people. This will be arranged on a case by case basis and communicated on through our normal channels.

If you want to submit a response to a consultation during this time please email permittingconsultations@naturalresources.wales.gov.uk

[Find out more in our response to the coronavirus pandemic](#)
