NOTES TO HELP YOU TO COMPLETE THIS NOTICE

1. If you are attaching a list of consents (as prepared by us from the NRA Register as on 31/3/96) then please overwrite the top section of this notice with the words 'Consents as on attached signed and dated list'. You should thoroughly check this list and modify and initial where necessary before signing and dating each page of the list and attaching to this completed notice. You may of course use your own list of consents you propose to rely on provided that the information above is included in full and each page is signed and dated.
2. In addition to an individual, a 'person' in legal terms may refer to a 'body corporate' (e.g. public limited company ('plc'), limited company, local authority etc.). In these cases the body corporate will be registered as the consent holder. The person signing on behalf of the body corporate will be the person who has the power to do so (usually the Company Secretary for a plc or limited company, the Chief Executive for a local authority etc). The legal validity of the signatory is the responsibility of the body corporate. If you are signing with the delegated authority of the body corporate, please indicate your job title.
3. Legal advice may be advisable for some situations (e.g. grant maintained schools outside of local authority control).
4. If you are a partnership or registered charity then up to 4 partners/trustees should individually complete this notice. These partners/trustees will then be registered as joint consent holders.
5. If you share the making of the discharge(s) with another person(s) then you should all complete the notice and be registered as joint consent holders. (e.g. householders individually and severally discharging via a common private sewage treatment works).
6. If in doubt, it may help to consider the 'person' as the person, either individually or severally, who would apply for the consent if an application were in future to be made to the Environment Agency. Under the amended legislation, ONLY the registered consent holder may in future apply to the Agency for a variation of the consent.

NOTE: The responsibility for this notice rests entirely with you and the Agency cannot be held responsible in any way for mistakes made as a result of the notes above (or otherwise) which are given in good faith.

Dear Sirs

Discharge Consents Port of Barry

Thank you for your note of the 8th May. Regretfully I have no record of consents AN0033201 and AN0033233 being revoked, they definitely remain live on my files and are indeed in use for sewerage discharge within the port. Perhaps a third party unconnected with the land owner requested a revocation of the consents and if this is the case I should be pleased if you would arrange to reinstate them.

see attached paperwork! what can he do?

In respect of consent AN00333237, I confirm Associated British Ports interest. ABP is the landowner whilst Central Trailer Rentco is the leaseholder. Should Central Trailer Rentco surrender their lease what procedures are available to register the interest of a subsequent tenant?

I'll deal with this but

I would be pleased to be consulted if any further consents are liable to be revoked within the Port Area.

Yours faithfully
