Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This is an operator initiated administrative variation to amend the permitted area due to an error made by the applicant. The revised area of land is significantly smaller than the original permitted boundary, but was still part of the originally approved area.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
