|------------------------|-------------------|
| <b>Magda Leonowicz</b> | <b>27/04/2018</b> |

Authorised on behalf of Natural Resources Wales

## Schedule

### Technical ability

The certificate provided is not listed as an appropriate award for this permit type. You can find the appropriate award in the The Risk Tier Table on the Wamitab website <https://wamitab.org.uk/competence/operator-competence/>. To find an appropriate qualification scheme, type the SR number into the search window.

If you have an existing 'older' qualification not listed on the Risk Tier Table, you might still be able to use it as demonstration of your primary/ initial competence.

You will need to check that it is still relevant for use instead of the current qualification listed in the Risk Tier Table. A list of 'previous' qualifications that are still applicable can be found in the purpose statement for each qualification listed on the Risk Tier Table.

The purpose statement can be accessed by clicking on the qualification title. The PDF includes a 'Hierarchy' box which lists other applicable qualifications that are still acceptable for the specific activity (see below).

Action:

a) please provide certificates for the appropriate award (primary and continuing competency certificates as required) for the person to cover this permit requirement

or

b) provide proof of enrolment from WAMITAB onto the full relevant award from WAMITAB of the person to cover this permit requirement.
