This is based on the requirements of the permit under the Environmental Permitting Regulations. ### Waste return Review

A review of the waste return submissions for permit number CB3097TY has been completed. Condition 4.2.2 of your permit requires that within one month of the end of each quarter, the operator shall submit using the form made available for the purpose, the information specified on the form relating to the site and the waste accepted and removed from it during the previous quarter. Unfortunately we have not received the waste returns for quarter 4 2015 and quarters 1 & 2 2016. This is a non compliance with condition 4.2.2 of your permit and as a direct result a CCS score 4 has been applied. Please ensure that the missing returns are submitted to [waste.returns@cyfoethnaturiolcymru.gov.uk](mailto:waste.returns@cyfoethnaturiolcymru.gov.uk) no later than 9th September 2016 and by the same date ensure that a management system is in place to prevent these breaches from occurring again in the future. Please use the permit number (EPR/CB3097TY) not the EAWML number on the permit and your facility type to be entered in box 2.2 is SR2010 No4: Mobile plant for spreading.

Can I also remind you that the waste return for quarter 3 2016 is due to be submitted no later than the 31st October 2016. Should you wish to discuss this form or your permit please contact your regulating officer Julie Hughes on 0300 065 3705.

Thank you.
