Dear Suzanne

Ref: PPC Permit – VP3832MZ – St Pierre Farm Poultry Unit
PPC Permit – VP3732MF – Kilreague Farm Poultry Unit

In response to your letter dated 21st July 2009, with regards to your compliance inspections to St Pierre on 15th July 2009 and Kilreague on 20th July 2009, I write to confirm the following:

St Pierre

- **Condition 3.1 and 3.3 – Drainage Management** – It is our intention to install two new wash water tanks, the anticipated locations will be added to the drainage plan and submitted to you on completion of the works. The works are anticipated to be completed by 1st September 2010.

Kilreague

- **Condition 3.1 and 3.3 – Drainage Management** – As per your suggestion we have purchased sufficient expandable bungs to contain wash waters during turnaround times. I have attached photos to show bungs in operation.

The concrete repairs are intending to be completed by 1st September 2010.

I trust this covers all of the points raised during your visit, however if you wish to discuss the contents of this letter further please contact me on the numbers below.

Yours sincerely

Subject: St Pierre and Kilreague Improvement Works

Dear Suzanne

Further to our correspondence and your inspection visits to St Pierre and Kilreague, please find attached our formal response to the improvement points raised.

I have also attached the photos, as per my letter, and copies of the quotes for works to be completed on both farms.

I trust this meets with your approval, however if you wish to discuss this further please do not hesitate to contact me.

Kind regards
Deborah
