Ref: **Langstone Farm - Permit Reference: RP3932MF**

Dear Sir/Madame

In accordance with section 4.3.3 (b) of the Environmental Permit I am writing to inform you that the operations at the farm have ceased. The infrastructure of the site remains the same; however the site is not currently operating as poultry unit for laying hens. The site is for sale and until the site is sold, the permit will remain in place. Depending on the future use of the site, the permit maybe transferred to the new owners or alternatively surrendered. I will of course keep you informed of the status of the permit.

If you have any questions or queries regarding this letter or require anymore information, then please do not hesitate to contact me.

Yours faithfully
