Subject: RE: Eligible for Assurance Scheme--RP3932MF Langstone Farm

Hello Jeff

Thank you for the phone call and the e mail, sorry for the delayed response, I have been on leave for a week. I am happy to see that Langstone have been entered onto the farm assurance scheme and can confirm that the noise issues onsite have been dealt with and the farm is currently fully compliant with its permit. The previous noise issues originated from the cockerels which were housed at the site, since the site has stopped housing cockerels the noise issues have been resolved and no complaints have been received.

Thanks again for your help on this matter.

Kind regards

Fen Turner
