Anna

I am happy to confirm that the application to transfer the Murco Petroleum Limited Landfarm 7 and Radioactive Substances for the Milford Haven site are attached and will be submitted by post to you at the Permit Receipt Centre (Cardiff) tomorrow. I will have included 4 complete copies and a CD of the application.

The transfer application for the Impoundment Licence will be sent next week when the form has been signed by both parties

Once again very many thanks for your direction and help in this matter. I look forward to confirmation of this application being 'duly made' once you are happy.

Best regards  
Bernie
