Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation and consolidation of an environmental permit.

This variation is the result of an Environment Agency led permit review project across Wales. As part of our statutory duties we aim to ensure that permit conditions are fit for purpose and meet statutory requirements.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
