Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This is an operator incitation administrative variation of a standard rules permit (SR2008 No3 household, commercial and industrial waste transfer station with treatment) to increase the permitted area.

The registered office address has also been amended (first line only) as a result of a change made by the operator in December 2014.

No other changes have been made.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
