Proposal summary

Please provide an outline of your proposal, including any sketches.

As a guide, you should include: a description of the activities which (will) take place at your site, the means of abstraction/impoundment proposed, if the proposal is related to another licence or permit (i.e. an Environmental Permit to Discharge Water) and details of any survey work undertaken. For changes to existing licences, summarise the changes proposed. Sketches or photographs that will aid our understanding of your proposal can be uploaded below.

This is a renewal of Licence number MD/054/0001/011. We have no changes to our original licence. The abstraction is via a bore hole and will be used for cleaning hardcore areas. Discharge will be into the mains sewer.
