Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This is a regulator initiated variation to delete all conditions of standard rules set SR2008No20 Vehicle storage, depollution and dismantling (authorised treatment) facility and replace them with the conditions of standard rules set SR2012No14 Metal recycling, vehicle storage, depollution and dismantling (authorised treatment) facility.

Permit now consists of SR2012No14 Metal recycling, vehicle storage, depollution and dismantling (authorised treatment) facility only.

The permitted area (site plan) has not been changed.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
