Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This is a regulator initiated variation to remove conditions relating to fire risk mitigation as they were added to the permit in variation EPR/GB3831AM/V003 in error.

This variation has also changed the site name from Derwen Plant Company Limited to Recycling and Recovery Facility.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
