Dear Sir / Madam

30 April 2018

Application for Bespoke Waste Permit
Re – Submission Ref PAN-002125

The previous application dated 22 November 2017 was returned to myself , the reason being that the applicant had not achieved the Continuing Competence Certificate. At that stage, the application fee of £ 2,565 was held by the NRW with the applicants agreement.

The Continuing Competence has now been completed and the Certificate (Ref CCC17527) issued to Mr Stephen Robert Brown is enclosed (2 copies) and I would be grateful if the processing of the application can now be commenced.
If there are any additional queries, please contact the undersigned.

Yours Faithfully

.....
H Ifon Jones (Agent / Consultant)
