Dear Rowland Thomas,

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE FOR RED WHARF BAY COASTAL DEFENCE

LICENCE NUMBER: CML2153

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated 19 August 2021 for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence CML2153 and its conditions.

Advisory Note

Marine Licence, CML2153, constitutes a statutory consent; therefore, the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence CML2153 carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

Marine Licence, CML2153 is solely granted for the work to be undertaken at Red Wharf Bay; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.

When notifying the UK Hydrographic Office in line with licence condition 3.18, the information supplied must include the start date and end date, a description of the works, positions of the work area (WGS84), and details of any marking arrangements.

As well as being required to report any archaeological finds in line with licence condition 3.21, you are also advised that in the event of any structural material (e.g. shipwreck material, old jetty timbers, former quay walls etc.) being encountered, then the RCAHMW and Gwynedd Archaeological Trust should both be informed.

The Crown Estate may be affected by the proposed works and landowner's consent might be required. You are therefore requested to contact our Managing Agent for the area: Alice Lovegrove-Jones of Jones Peckover on 01745 812 127, alice@Jonespeckover.com regarding any landowner's consent for the proposed activity.
