Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation and consolidation of an environmental permit.

This variation is to increase the permitted area of the site, add in an End-of-life vehicle de-pollution facility, incorporate activities currently permitted under exemptions and update the permit to modern conditions.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
