Introductory note

This introductory note does not form a part of the permit

The main features of the permit are as follows.

This variation is the result of an Environment Agency led permit review project across Wales. As part of our statutory duties we aim to ensure that permit conditions are fit for purpose and meet statutory requirements.

As part of modernising and updating this permit, recovery (R) and disposal (D) codes and a list of site specific waste codes from the European Waste Catalogue (EWC) have been referenced.

The status log of the permit sets out the permitting history, including any changes to the permit reference number.
