Dear Mr Wall,

SRCL Bridgend – PP34430UL – Response to CAR reference NRW0038819

I refer to your Compliance Assessment Report referred to above, received on the 13 October 2021 in which the following action was made:

- ***Update the EMS and training documents to include an extra check so that no loose material can escape from the trailer and that no floc is trapped between the cover and the trailer. Send a copy of the EMS file with the updated procedures to NRW.***

We confirm that the EMS and training documents have been updated. Please find attached a copy of the procedure related to this activity.

Yours sincerely,

Marianna Hislop
Permit Compliance Manager
