Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

The Permit is being transferred from ELW Metal Limited to EPS Materials Recovery Limited. The companies have the same director and there is to be no change to site management.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit
