### Introductory note

**This introductory note does not form a part of the notice.**

The following notice gives notice of the variation and consolidation of an environmental permit.

This is a variation of a tier 2 standard rules environmental permit - SR2008 No21 Metal recycling site to:

- become a tier 3 bespoke environmental permit;
- incorporate a T9 exemption for the recovery of scrap metal;
- increase the permitted area; and
- include a discharge to surface water.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
