**Modification of Waste Management Licence number:
Return of Financial Provision**

The Agency has recently changed its policy with regard to financial provision for non-landfill waste management licensing. Applicants and licence holders can now satisfy the Agency on the financial provision test by demonstrating financial health. This can be done through credit checks or evidence of sufficient funds. The arrangements you previously made with the Agency are no longer necessary and financial provision will not be reassessed unless you apply to modify the licence and increase the licence obligations. Please read on to see how the financial provision agreements will be returned.

Local Authority Agreements: The agreement will be returned to the Local Authority.
