Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation permits the addition of 8 new waste types from the European Waste Catalogue (EWC) list. The new waste types will not change the nature/risk of the operations on site.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
