### **Purpose of this document**

The decision document:

- Explains how the applicant's application has been determined;
- Provides a record of the decision-making process;

Unless the decision document specifies otherwise we have accepted the applicant's proposals.

### **Structure of this document**

- Summary of the decision;
- Annex 1 the decision checklist

### **Summary of the decision**

We have decided to vary the permit for the operator, subject to the conditions in the permit

Minor clerical errors in the current permit. Wrong descriptions are against the R codes detailed in condition 1.1.1, Table 1.1 and EWC code 17 06 05\* was missing from Appendix 1.

We consider in reaching that decision we have taken into account all relevant considerations and legal requirements and that the permit will ensure that the appropriate level of environment protection is provided.
