### **Introductory note**

#### **This introductory note does not form a part of the notice**

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

The transfer is to a new company that uses the same name as the previous permit holder, but is a distinct new legal entity with a new company registration number.

The transfer application was made in the name of 'Valero Refining and Marketing Ltd' as this was the company name for the legal entity (registered company number 08566216) as it appeared on Companies House, at the time the application was made.

The transfer notice and accompanying documents reflect the name of the new permit holder Valero Energy Ltd. (registered company number 08566216) as it appears on Companies House, at the time the decision was made.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
