Dear Sir/Madam,

**Environmental Permit – Normal Variation: Permit Number EPR/ZP3695VH**

**Mr. Kevin Humphreys (t/a Humphreys Waste Recycling) – Refail Newydd, Caergeiliog, Holyhead, Anglesey, LL65 3DX**

Please find enclosed our application for a Normal Variation to the above Tier 2 Standard Rules Environmental Permit.

The purpose of this application is:

- Variation of a standard facility to become subject to different standard rules – from SR2008No5 to SR2008No7;
- To increase the area of the permitted site – to include a small triangle of land to the north of the current site boundary;

The information attached comprises the formal EP variation documentation, the contents of which are summarised below. As specified in the guidance documents, 3 hardcopies of all documents and a CD containing electronic versions are included.

**Environmental Permit Application Forms**

Part A, C1 and F1 have been completed in line with Natural Resources Wales's guidance.

**Variation Fee**

A variation fee of £1,630 has been calculated. A cheque to cover this fee is enclosed.

**Supporting Information**

Details of pre-application discussions with the site's current Environmental Officer, Mr. Ross Briscoe, are included. A number of plans accompany this application (document SD2) including the required site boundary plan (drawing 10924-000-B). Copies of WAMITAB qualifications for the site's Technically Competent Person, Mr. Kevin Humphreys, are submitted to demonstrate the Operator's technical ability.

**Site Exemptions**

The operator intends to apply for an S2 exemption to permit the receipt and storage of small volumes of specific hazardous wastes (batteries, WEEE, paints, etc.) not covered by the proposed standard permit.

I trust the submitted information meets with your requirements, however should you wish to discuss or clarify these issues we will be happy to provide additional information.

Yours sincerely,
