Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This is a regulator initiated variation to add in conditions relating to fire risk mitigation.

Schedule 2 Table S2.2 has been renumbered to correct the numerical error made in the previous variation. This table now reads as Schedule 2 Table S2.1.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number
