Dear Mr. Conry,

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE FOR KINMEL BAY TO LLANDDULAS GROUND INVESTIGATION

LICENCE NUMBER: RML2148

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated **20 September 2021** for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **RML2148** and its conditions.

Advisory Note

Marine Licence, **RML2148**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **RML2148** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

I draw attention to condition **3.18.1** in your Marine Licence which states that the Licence Holder must submit a Written Scheme of Investigation to the Licensing Authority for written approval at least 6 weeks prior to commencement of the Licensed Activities. No Licensed Activities may be undertaken prior to written approval from the Licensing Authority. We strongly encourage that you engage with Clwyd-Powys Archaeological Trust prior to submission of the Written Scheme of Investigation to ensure appropriate detail is included.

It is also advised that a copy of the resulting report should be submitted to the Local Planning Authority and the Development Control Archaeologist, Clwyd-Powys Archaeological Trust (mark.walters@cpat.org.uk). Following approval by the Local

Planning Authority a copy of the report and resulting archive should also be sent to the Historic Environment Record and to the National Monuments Record, RCAHMW.

Additionally, it is advised that the Written Scheme of Investigation must contain a watching brief, which must meet the standards laid down by the Chartered Institute for Archaeologists Standard and Guidance for archaeological watching briefs. A Protocol for Archaeological Discoveries must also be contained within the Written Scheme of Investigation.

Additionally, the Maritime and Coastguard Agency advise you do not leave any holes unattended to ensure no person or animal falls into the hole.

Marine Licence, **RML2148** is solely granted for the work to be undertaken at **Kinmel Bay to Llanddulas**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.
