Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This is an operator led administrative variation of a tier 3 bespoke permit. The variation is to add the waste code 17 04 11 (cables other than those mentioned in 17 04 10) to Appendix A of the permit. Only storage of this waste is permitted, no treatment is allowed.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
