Dear Mr Williams

Transfer of permit is complete

Permit reference: EPR/EB3490HU

Waste returns reference: EPR/EB3490HU

Operator: Inertia Recycling Limited

Facility: Ballswood Quarry, Gegin Lane, Llay, Wrexham, LL12 0NU

Our determination of your application for a full transfer is complete. We are satisfied that you will be the person who will operate the facility and you will comply with the requirements of the permit.

The transfer takes effect from 05 November 2015.

I enclose a notice showing the transfer. Keep this in a safe place with your other permit records.

This letter contains web links to other documents. If you aren't able to access these phone our Customer Services Centre for help.

The environmental permit should have been passed to you during the handover of the property or business. If you do not have a copy of the permit you must contact a local officer. Telephone our Customer Services Centre on 0300 065 3000 and they will put you in touch with an area officer.

You will also need to look at the document 'How to comply with your environmental permit' as this will help you understand how to meet the conditions of the permit. You can find this on our web page at:

Please look at the table below and note any of the things that apply to your permit.

If...	then..
you plan to keep your records at a site other than where the activity takes place	you need to let us know within 20 working days of receiving this letter.
your permit includes pre-operational or improvement conditions	check the deadlines for completing measures and make sure you carry them out by the times stated
you are carrying out a waste operation or activity and need to submit quarterly waste returns on waste movements	We will send you the relevant returns spreadsheet to complete when we send you a reminder to submit your returns. Further information is available on our website http://naturalresources.wales/waste/new-wales-operator-waste-return-and-deadlines-for-returns/?lang=en When you complete your return use the waste returns reference above.
you need to submit other returns	send these to your area office. Speak to your area officer to check local arrangements.

There is an annual subsistence charge for your permit unless your permit is only for mobile plant, where instead we will charge for each deployment.

The annual charge is due on demand in the year that we issue the permit and then on 1 April each year. There may be a delay in the receipt of your first invoice as we are currently changing our IT systems. We apologise for any inconvenience this may cause.

If you need to know more about the subsistence charge please look at the charging guidance on our website at: <http://naturalresources.wales/media/3557/environmental-permitting-charge-scheme-guidance-2015-16.pdf>

If you have any questions about this permit please phone our Customer Services Centre on 0300 065 3000. They will put you in touch with a local area officer.

Yours sincerely

Jacqui Collier
Permitting Officer
