Dear Sirs

We would like to transfer the permit from Clays Farm Golf Centre Ltd. to myself Mr. William Lewis.

We have completed the paper work for the transfer and have spoken to Permit Reception Centre, Cardiff. They have told us to send it to them and enclose a cheque. I have looked at Environmental Permitting Charging Scheme 2017/18.

Our Standard Rule Number is SR 2010 No. 8, which states £ 974.00p, for transfer of permit. Is this correct?

Please find enclosed the Permit Detail copied from the current permit

Thankyou.

Yours Faithfully,

W M Lewis

W.M. Lewis.
