Visit report/comments:

This was a routine site inspection carried out by Rachel Twiss as the recently appointed inspecting officer. The weather was fair. I was accompanied by Bill and Gwen for most of the inspection.

Observations:

The office is kept in very good order with paperwork easily available. The TCM certificate was copied and given for our records.

The site itself was active with plant operating. All waste products were identified and an explanation of the processes on site were given. All looked to be in order and progress was said to be going well, Bill said that the operation is likely to be finished by the end of this year.

Many thanks for your time on site.

regards

Rachel Twiss - 0300 065 3894
