Confined Space

At Hefin Thomas Limited, we use specifically designed equipment capable of accessing a wide range of areas from a storage tank to a 2ft diameter pipe. We treat the hazards involved in this activity seriously and are acutely aware of the dangers involved including entrapment, flooding, suffocation and toxic or explosive gases.

The safety of our customers, site environment and staff are paramount to us. Our highly trained engineers will constantly assess and monitor the progress of a situation to minimize the risk of possible dangers.

Portable Toilet Hire

With our vast experience we ensure you get the correct amount of portable toilets at your event or construction site. We can also offer a complete sanitation service to empty and service the units whenever you require, making sure they are in the best working condition for your guests or workforce.

Here at Hefin Thomas we are now a well-established portable toilet hire company. We provide service to the general public and commercial customers throughout North Wales. We also provide disabled portable toilet, urinals, baby changing units, shower and luxury mobile toilet blocks.
