Dear Mr Williams

Compliance Inspection report

Thank you for taking part in the inspection on 21st of September 2009, I am pleased to let you know that the activities we inspected at Lower Tynewydd Farm are fully compliant with the following regulations.

- Pollution Prevention and Control (England and Wales) Regulations 2000

Pollution Prevention issues to address

Please ensure that soil testing is being carried out at regular intervals in order to reduce the risk of nutrient overloading which in turn may increase the risk of pollution.

Yours sincerely
