The company will employ and train at least one Technically Competent Person.

Due to the previous Technically Competent Manager leaving the business the site does not currently have a WAMITAB qualified person to comply with permit requirements. Mr. Julian Dunn, the recently appointed Site Manager is currently studying for a WAMITAB Level 4 qualification.

Other Technically Competent Persons will be recruited as necessary to maintain compliance with permit attendance criteria. The times that the Technically Competent Person spends at the facility during operating hours will be recorded in the Site Diary.

A copy of Mr Dunn's registration letter for the WAMITAB scheme is attached.

Mr Dunn anticipates completion and accreditation towards the middle of 2016.

Hi Neil,

I still have not received any confirmation with regards to my WAMITAB.

Please can i ask that i could be sent an email until my letter arrives, stating that i am carrying out my WAMITAB through SS and also confirming my WAMITAB registration number.

This in turn should satisfy NRW until my confirmation letter arrives.

Thanks.

Julian Dunn
