For the attention of Permit Receipt Centre

Dear Sir

Ffridd Rasus Waste Management Facility Environmental Permit Applications

On behalf of Gwynedd Council, please find enclosed two Environmental Permit (EP) applications relating to the Ffridd Rasus Waste Management Facility.

The Council wishes to streamline the number of EPs at the facility now that the site no longer carries out in vessel composting. Therefore, an application to surrender the Environmental Permit for the In Vessel Composting (IVC) Facility (EPR/BP3398EW) and an application to vary Environmental Permit (EP) reference EPR/PP3294FJ for the Civic Amenity (CA) Site to incorporate this area are being sought.

The application fees for both are being sent directly by Gwynedd Council and have the EP reference numbers on the back of them.

If you have any questions, please call me.

Yours faithfully
