## Permit number EPR/QP3098FL

### Introductory note

**This introductory note does not form a part of the notice.**

The following notice gives notice of the variation and consolidation of an environmental permit.

This variation is to update the permit to modern conditions, include a waste transfer facility and associated waste codes as part of the permitted activities and increase the annual throughput of the site as a whole.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
