Subject: Re: Site inspection and issues observed on site

Dear Mr Mohammadi,

Following on from the correspondence from my colleague below, I thought some information with regards to transfer of permit may be useful if it is something that between you all you wish to pursue at some point.

The fixed fee of a transfer where the management is substantially the same the is £1,999.

You would need to complete forms A, D2 and F1, and the most important thing we would need is evidence of the TCM. This is something that **MUST** be in place , i.e. you must have a qualified person in place for us to be able to transfer the permit.

I would appreciate as a matter of urgency, an update in writing with regards to the actions listed by my colleague below since the last inspection on 24th May 2016.

I look forward to hearing from you,

regards

Rachel Twiss
